On the "PAPER SUBMISSION FORM" you can alter the Abstract Title and the Abstract by simply editing the text in the corresponding fields. Please note that only slight adaptation is permitted.

You can alter the texts in the remaining fields in the same way.

Please proofread your text carefully before submitting. Abstracts and Full Papers will appear online exactly as submitted, i.e., no corrections, additions, revisions or deletions will be made by the Organising Committee.

Full paper submission is not mandatory, but only FULL PAPERS will be included in the Conference Proceedings and in the online database on the Euronoise2018 site. However, all abstracts will be included in the online version of "Programme & Book of Abstracts".

To upload a full paper, click on the "upload" button in order to browse your computer. Locate the file to be uploaded and click "Open". Papers (in pdf format) should be prepared according to the template provided in the *Authors Area*. Papers that exceed eight (8) pages or 5MByte will not be accepted for publication.

IMPORTANT!

If you have previously uploaded a full paper, it will appear under the "Upload" button. Please mark it for deletion (by ticking the little box next to it). In this way, we eliminate the possibility of accidentally using the wrong paper version in the Proceedings.

Each file you upload is automatically renamed using the following formula:

[Abstract ID]_[Date]_[Time (GMT)]_[Corresponding Author's Surname].pdf
